TERMS AND CONDITIONS

- Offer applies to Americas and Latin region sales only
- Standard Education discount applies for qualified Education customers
- This program is applied to the TBS1000, TBS1000B, TBS2000, MSO2000B and DPO2000B series scope sales including DPO2012BGSA sales, during the sales program period, to end-customers directly by Tektronix or by Tektronix authorized channel partners.
- Offer applies to new product sales only. Encore, demo, or used sales do not qualify.
- The purchase order from the customers must be placed and accepted between October 15, 2018 and March 29, 2019. Open quotes with this program discount after the end date will not qualify for a rebate
- Partners need to submit Proof of Sales (customer's PO to partner) as well as the credit rebate form within 30 days upon sales-out to their customer. Tektronix will issue partners the credit after validation of Proof of Sales documents.
- The customer's purchase order must be booked between October 15, 2018 and March 29, 2019. Any quote with this program discount after the end date will not qualify for a rebate.
- Tektronix reserves the right to change or cancel this program at any time. Tektronix will advise distributors 30 days in advance of program changes or cancellation through a posting on the Tektronix partner website www.tektronix.com/partner.
- Program terms and conditions that apply to end customers can be found at www.tektronix.com/promotions. Program terms and conditions that apply to both end customers and Tektronix authorized distributors can be found at www.tektronix.com/partner.
- **Latin Only:**
 - Authorized Distributors placing stocking orders within the program period will receive upfront discounts combining MSR program discount with their contractual discount. Stocking Orders Value must be for a minimum of \$10K net total value or higher.
 - The distributor commits to send to Tektronix by the end of every month a Sales Promotion report with the proof of sale of all the stocking order units sold reflecting the corresponding discounts given to end customers to guarantee the applicability of the promotion. Tektronix reserves the rights to charge back the upfront discounts given to the distributor if any failure or inconsistency to the promotion's terms is found.
